Where is the Class of 2016 headed this fall?

We at The New Trier News intend for the Destinations Issue to be a source of pride, not ridicule. While there is competition surrounding the college process, this list is meant to be a source of recognition and celebration for the accomplishments of seniors, no matter what they go after graduation. The Class of 2016 arrived from different places four years ago and now we are honored to present where they are heading next year.

Seniors had several weeks to inform The New Trier News of their post-high school plans. This list was compiled based on self-reported plans. Any corrections submitted to The New Trier News will be published in the Graduation Issue.
