**We at The New Trier News intend for the Destinations Issue to be a source of pride, not ridicule. While there is competition surrounding the college process, this list is meant to be a source of recognition and celebration for the accomplishments of seniors, no matter what they do after graduation. The Class of 2018 arrived from different places four years ago and now we are honored to present where they are heading next year. This list was compiled based on self-reported plans. Any corrections submitted to The New Trier News will be published in the Graduation Issue.**
